

UBC Interview Program: Perfect for UBC Interview Invites

Congratulations on receiving a UBC medical school interview! Our comprehensive **UBC Interview Program** is specifically tailored for students like you who have been invited to showcase their potential in the competitive Multi-Mini Interview (MMI) format. Led by current UBC medical students, this program offers insider insights and expert guidance to help you excel. Over three dynamic sessions, each lasting three hours, you'll refine your skills in key MMI themes: CanMEDS roles, creativity, ethics, and policy.

Session 1: CanMEDS Competencies

- **Objective:** Master the CanMEDS framework and confidently demonstrate its application in your responses.
- **Focus Areas:**
 - Understanding the CanMEDS roles: Collaborator, Communicator, Leader, Scholar, Professional, Advocate, and Medical Expert.
 - Practicing situational questions to effectively showcase these competencies.
 - Personalized feedback from UBC med students to highlight your strengths and refine weaker areas.

Session 2: Creativity and Communication

- **Objective:** Stand out by using creative approaches and compelling communication in your responses.
- **Focus Areas:**
 - Incorporating **quotes and illustrations** to enhance storytelling and bring your ideas to life.
 - Techniques for tackling abstract questions with creativity while maintaining professionalism.
 - Real-world practice: Mock interview scenarios with immediate, personalized feedback.

Session 3: Ethics and Policy

- **Objective:** Build confidence in addressing ethical dilemmas and policy-based questions with a clear, structured approach.
- **Focus Areas:**
 - Core ethical principles: Autonomy, beneficence, non-maleficence, and justice.
 - Insights into Canadian healthcare policy and key issues like equity, resource allocation, and consent.
 - Practical frameworks for structuring responses to challenging ethical and policy scenarios.
 - Case-based discussions facilitated by UBC med students to ensure real-world applicability.

Program Highlights

- **Led by UBC Med Students:** Learn from those who have successfully navigated the UBC MMI and gain insider tips.
- **Interactive Learning:** Small class sizes ensure personalized attention and active participation.
- **Simulated MMI Practice:** Each session includes practice stations that mimic the UBC interview format.
- **Expert Feedback:** Receive detailed, constructive feedback to enhance your performance and confidence.
- **Resources:** Access comprehensive guides, sample questions, and recordings to support your preparation.
